

HOW TO HELLO SUMMER

CLUB COUTURE™ PROJECT

RELEASED MAY 2019

Supplies Needed

Club Couture™ Transfer: Hello Summer

Chalkology™ Paste Singles: Wild Berry, Guava, and Eucalyptus

Tools: Small Squeegee, Fuzzing Cloth, Permanent Marker

Surface: Couture Boutique™ Board (10" x 10")

Optional: Bright White Chalkology™ Paste from Club Couture™ Kickstart Kit

Follow these instructions to complete the Club Couture™ project:

1. Prepare your board by wiping it clean of any debris or dust.
2. Prepare your Chalk Transfer™ design by removing it from the packaging and cut apart the individual elements. Label the backer papers with marker to correspond with the image. This makes cleanup easier.
3. When you remove the backer from the Transfer screen, be sure to "fuzz" each element to gentle the adhesive by sticking the adhesive screen to a Fuzzing Cloth or terry cloth towel to pick up a bit of lint before applying it to your board.
4. Position your desired Transfer element and smooth to adhere to your surface, ensuring there are no bubbles.
5. Prepare your Chalkology™ Paste by kneading the Paste Singles packets, tearing off corners, and squeezing desired amounts onto dish or other palette surface. Stir paste if using 3 US fl. oz. jar.
6. Use a generous amount of Chalkology™ Paste on the Small Squeegee and smooth it over the Transfer (see color and placement suggestions below).
7. Once the screen portion of the design is completely covered, squeegee the excess paste off as evenly as possible and scrape unused paste back into the jar or palette. The more excess paste you remove, the better the result.
8. Carefully peel back the Transfer before the paste dries and immediately put it in water to clean thoroughly. Once clean, let dry with sticky side up.
9. For best results, wash and dry each Transfer element and the Squeegee before reusing.

MAY CLUB COUTURE TRANSFER: HELLO SUMMER

10. Repeat these basic techniques as you proceed with each element of your design. Allow sufficient dry time of your surface (or use a hair dryer to speed drying) before layering subsequent steps.
11. Once all the Transfer elements are clean and dry, reapply all backers, and store flat.

Color and Placement for Club Couture™: Hello Summer

1. Glasses: Wild Berry, centered on top half of board. Be sure to chalk registration marks as well as main design.
2. Hello Summer: Bright White, centered on bottom half of board.
3. Lenses: Guava, layered over glasses. Use registration marks for exact placement, then erase marks using water and a clean cloth or paper towel when finished.
